

CHARMS Music and Form Download Instructions

Students can download music, recordings, and forms for band at any time from **CHARMS**. This is how students can get their music for marching band.

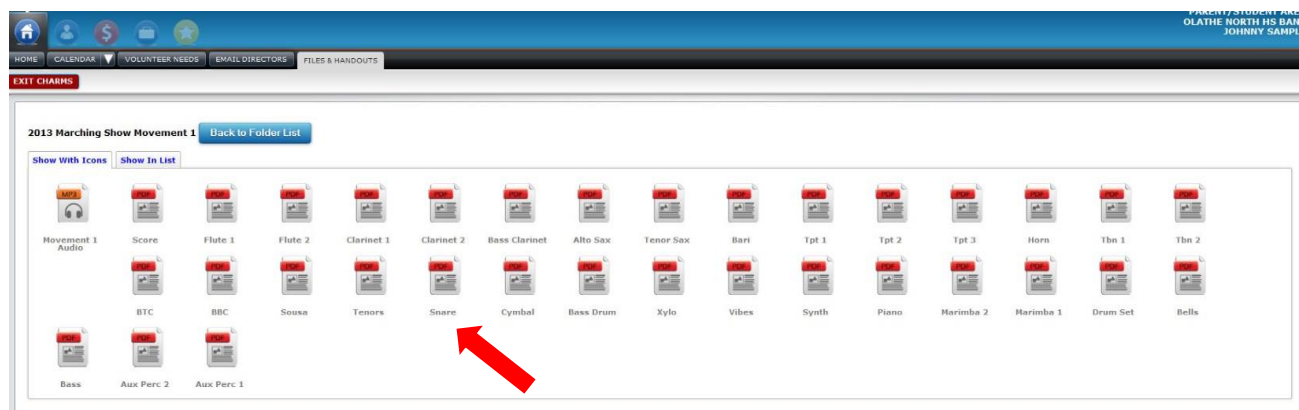

- Go to the CHARMS website and login.
- On the **HOME SCREEN** click on the **HANDOUTS & FILES** icon.

- On the **Handouts & Files Screen** you will see several different folders. Click on the folder that contains the music or form you are looking for.

- Inside the folder you will find several different files. Click on the file you want to open. Depending on your computer, you will have the option to save and / or print the file. For music recordings, you will be able to listen to them online.

- That's it! Pretty simple to print music, forms, and other files you will need for band!
